SUMMER AT CAMPINGS LIBERTÉ

Born from an initiative by the Touriste hotel group, Campings Liberté offers a new vision of outdoor hospitality: simple, authentic, and affordable vacations, without compromising on comfort or attention to detail. Campings Liberté champions a return to the essence of camping: freedom, conviviality, and a connection with nature and the local area, in intimate settings designed for families and outdoor enthusiasts alike. The project is rooted in an approach that respects the existing environment, highlights regional characteristics and local expertise, and offers a vacation experience that is at once beautiful, accessible, and genuine.

Campings Liberté is now expanding to Landrellec, Lacanau, and the Verdon, three destinations nestled between the sea, forests, and cliffs, united by a shared vision of camping: intimate, nature-oriented sites where comfort, attention to detail, and a warm atmosphere come together to create a simple and authentic outdoor hospitality experience. THE CAMPER'S CHARTER

We do everything we can to ensure that your family vacation is characterized by authenticity, comfort, a warm and welcoming atmosphere, and a focus on local and sustainable consumption. To ensure that the campground's core values—being close to nature and a sense of community—thrive at Camping Liberté Landrellec, we need your help as well.

1

Instead of throwing away my package of pasta or roll of parchment paper because I don't have room to take them with me, I leave them at the grocery store in the "Shared Basket" for the next campers.

A small gesture for them and against waste!

2

Once I've finished cooking, I don't pour the cooking water on my plants or the grass in my yard, because it's a powerful weed killer.

3

To reduce my use of plastic and use only what I need, I can buy shower gel, shampoo, or dish soap in bulk at the campground store.

4

To protect the beach, the ocean, and the rocky ecosystem, I don't throw my cigarette butts or food wrappers on the ground. Beach ashtrays are available at the front desk!

5

I make sure to turn off the lights and heaters in my mobile home, and I'm careful about my water usage.

6

In such a beautiful setting, now is the perfect time to sort my trash. Recycling bins are located at the campground entrance.

7

Bathrooms, toilets, laundry room, game room—I make sure to leave the common areas clean after I've used them. If I've caused any damage that I can't fix myself, I'll report it to the front desk.

8

The decor at Camping Liberté Landrellec is certainly well-maintained, but if I take something I like, it leaves a little less of the place's charm for future guests.

9

If my dog relieves itself on the campground grounds, I will pick it up. Bag dispensers are available at the front desk. Pets must be kept on a leash on the campground grounds and on your campsite.

10

Camping Liberté Landrellec is a family-friendly, quiet, and peaceful place. I make sure to keep the noise level down—both from my family and from my entertainment devices.

11

Finally, the golden rule of camping: I don't walk through an occupied site.
